

Witness the Ecstasy

BEYOND WALL

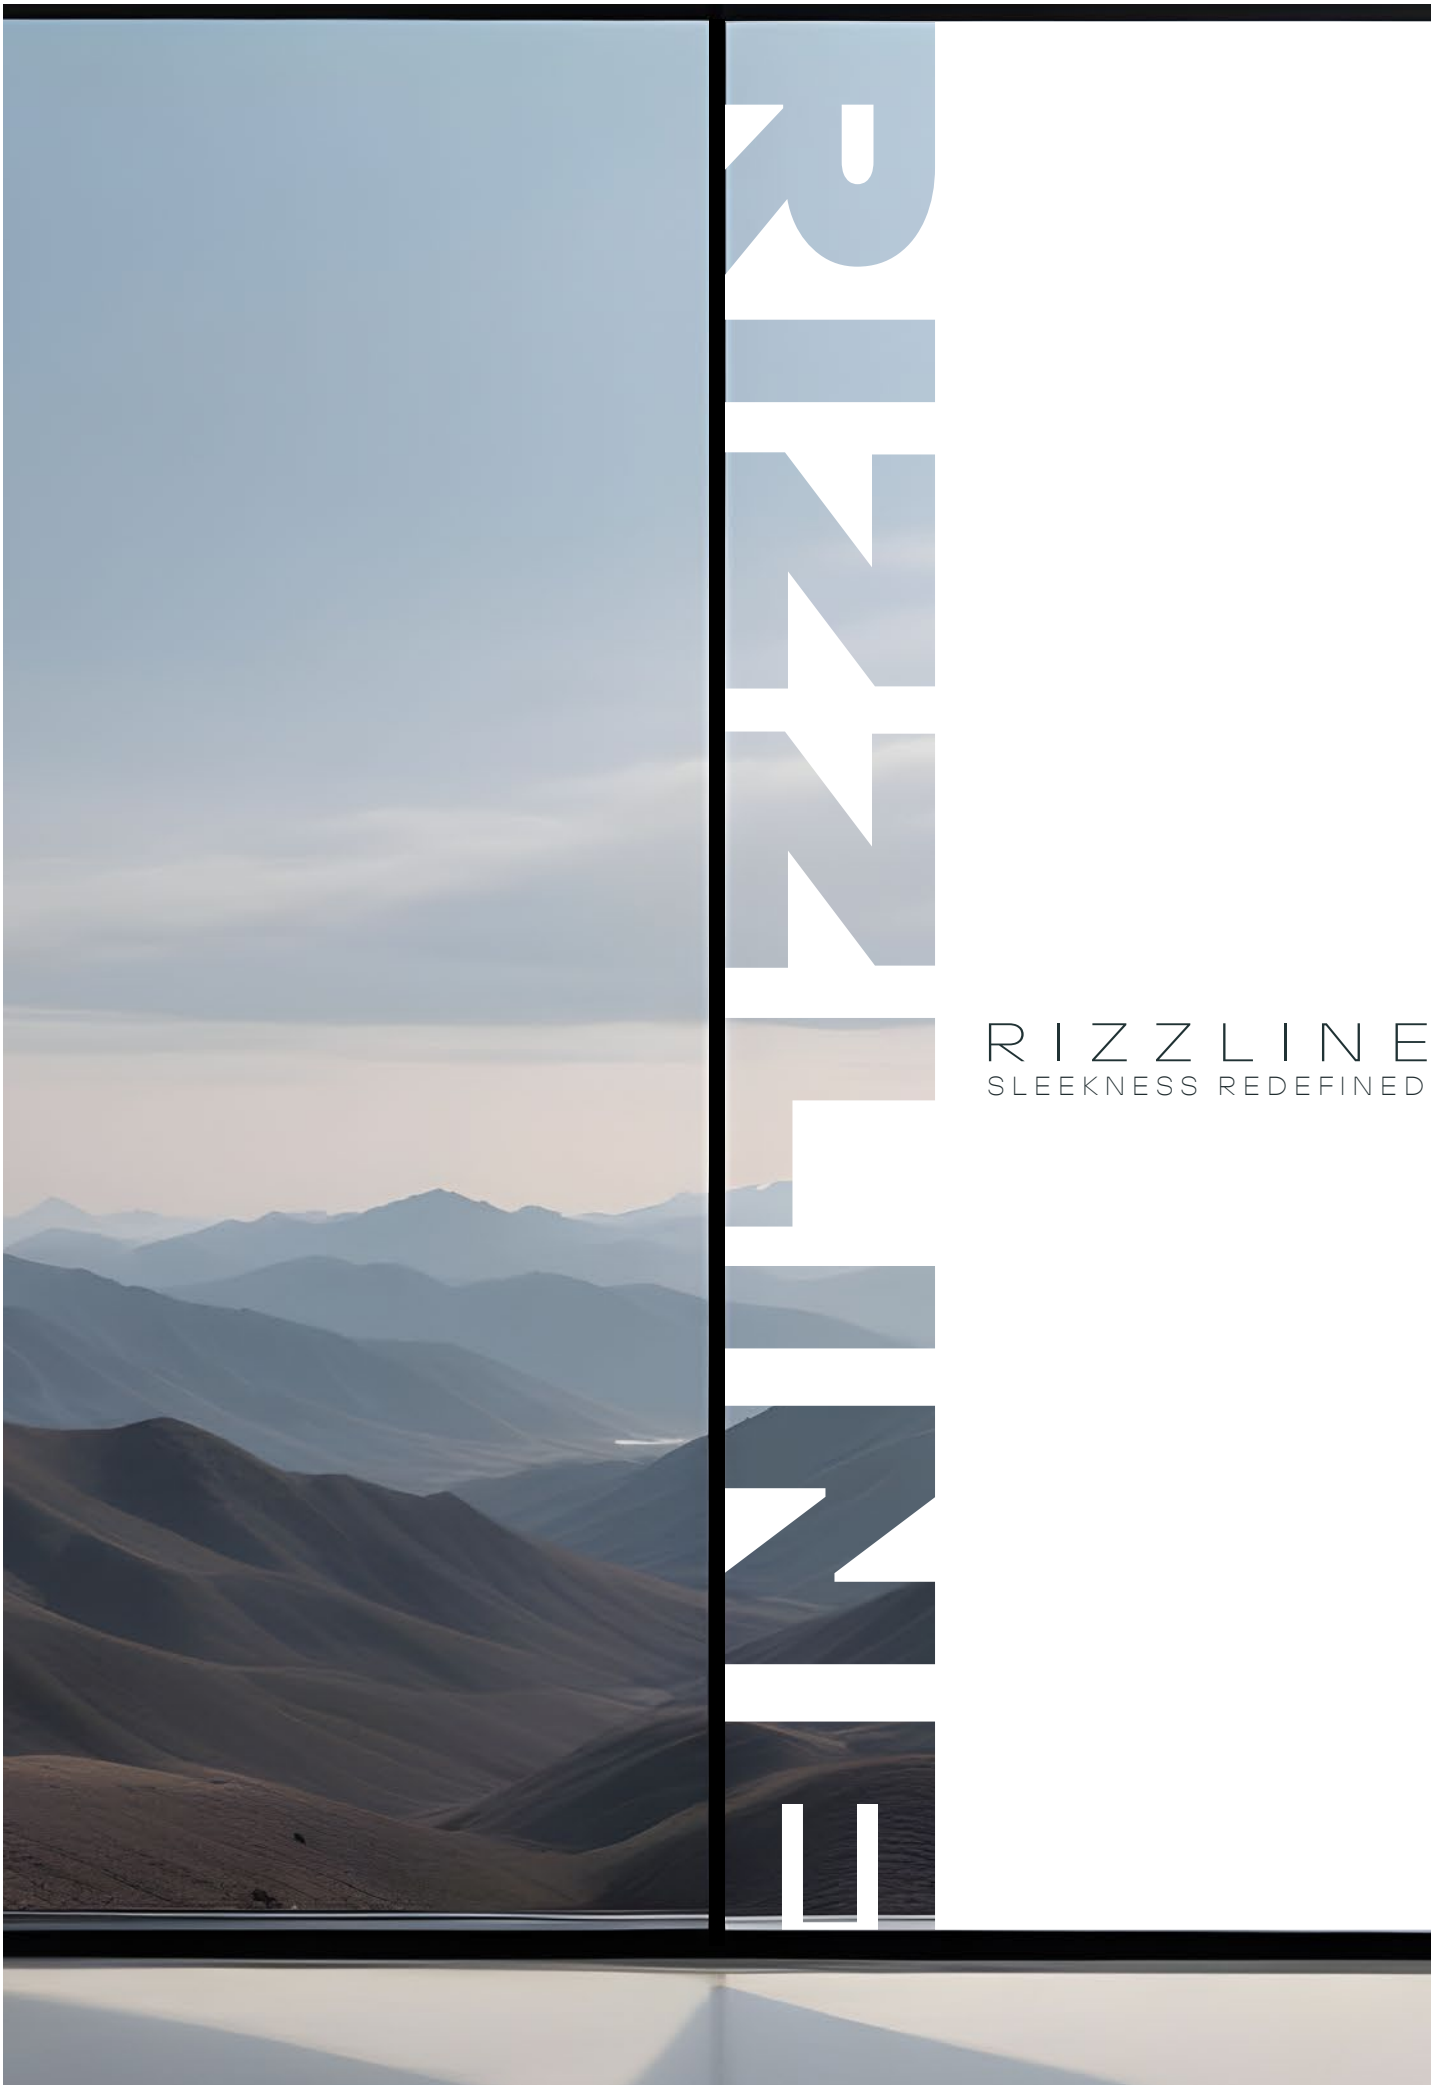

ABOUT

Ounce is a brand that specializes in fenestration work. The name ounce reflects the precision, accuracy, and quality of their work, as they measure every detail with care and skill. Ounce also conveys the idea of strength, durability, and value, as an ounce of metal can withstand a lot of pressure and last for a long time. Ounce is a brand that delivers excellence in fenestration work, with every ounce of their effort and expertise.

A VIEW, NOT A WINDOW

Frames Disappear, Leaving Only
Ecstasy in View* ””

RIZZLINE
SLEEKNESS REDEFINED

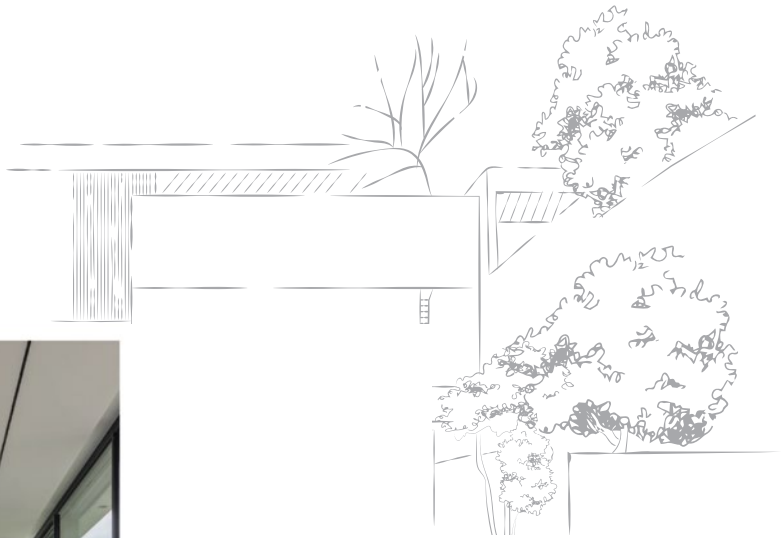

RIZZLINE

SLEEKNESS REDEFINED

Ounce Ecstatics proudly presents a seamless solution for pre-fabricated aluminum windows, crafted from start to finish by our in-house team that both designs and implements systems adhering to global standards.

The Rizzline Series epitomizes the essence of precision and simplicity through its refined design.

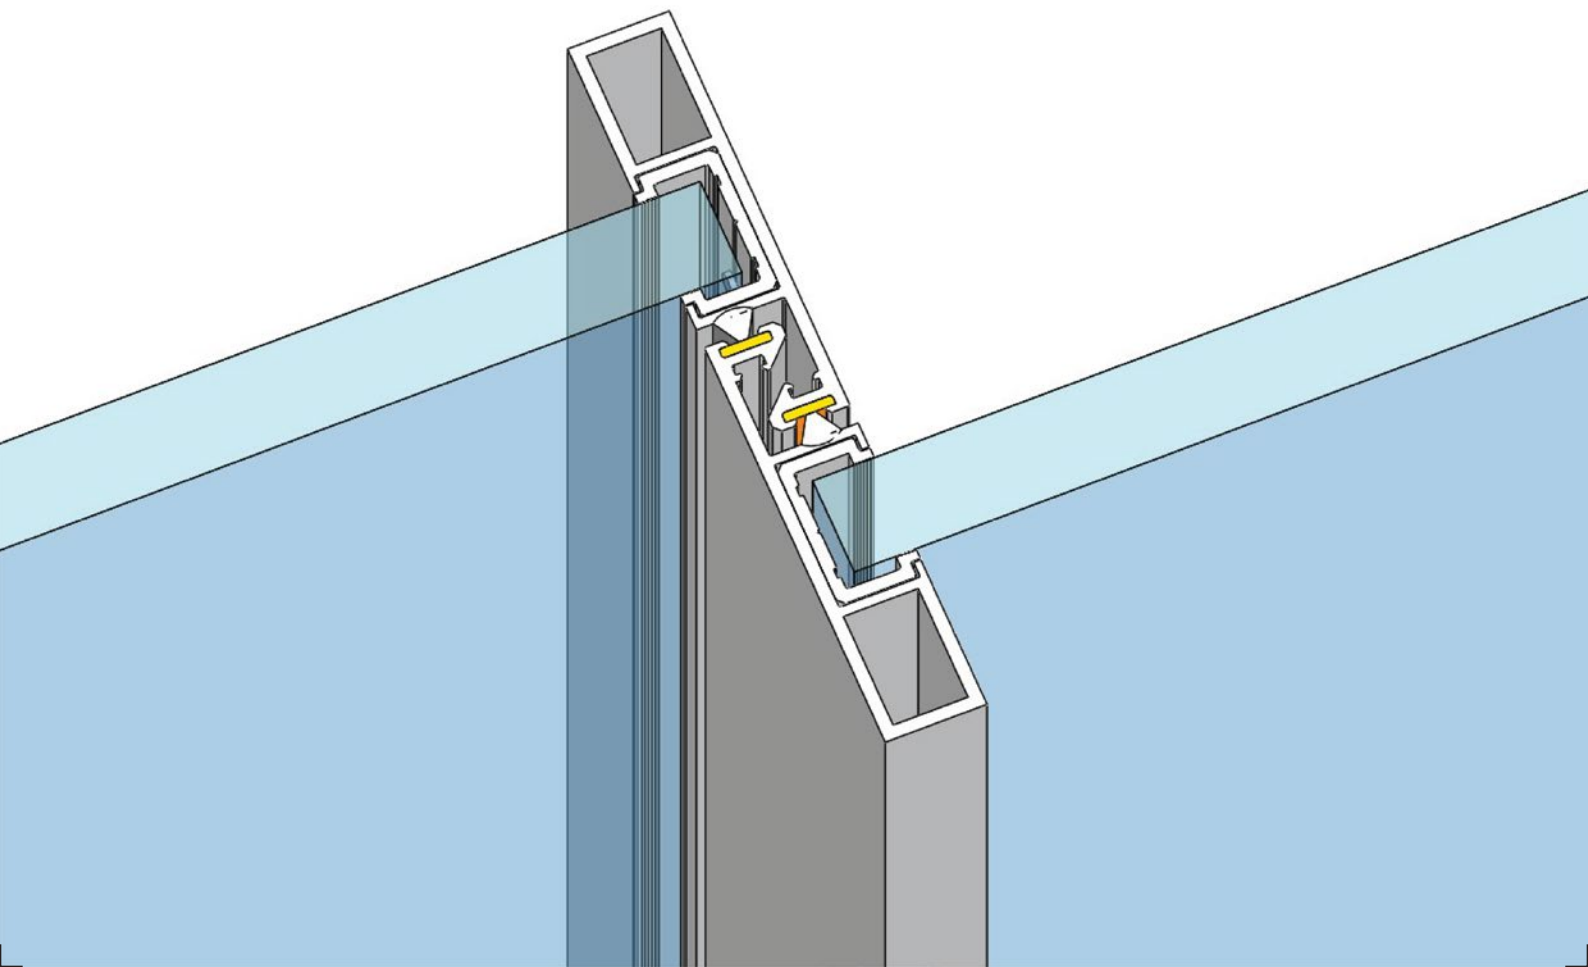

The perfect home is a place for recuperation and personal fulfilment and living space that combines comfort and security with a feeling of freedom makes the home a veritable oasis. The Minimal Barrier Sightline Ounce Ecstatics sliding windows can be freely configured to create open, light-flooded spaces. Splendid views of treetops swaying in the wind, the play of clouds in the sky or the lights of a distant pulsating city bring about a symbiosis of living space and setting. Nature is ushered into the living room: the fields outside are recast as a grassy carpet and the sun as the source of indoor light. The seamless fusion of interior and exterior turns the outside world into a stunning feature of the domestic architecture. Slim interlock, a mere 15 mm wide, unobtrusively frame the most fascinating of all pictures
– the view.

INTRODUCTION _____

Pinnacle of Engineering: Our Sophisticated Exterior Access Systems Deliver Unparalleled Clarity and Acoustic Excellence, Tailor-Made for a Variety of Architectural Styles. It boasts remarkable versatility in modular design, featuring innovative corner openings, sleek pocket sliding options, and integrated retractable mosquito nets. The system is available in an array of styles, enhanced with a suite of customizations, finishes, and full automation capabilities. Experience expansive double-glazed views with up to 10 Ft. x 6 Ft. per panel, framed by ultra-slim 15mm vertical profiles.

- 1 Frame
- 2 Handle
- 3 Interlock
- 4 Glass
- 5 S.S 316 Rail

OUR ASSURANCE

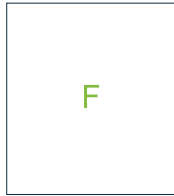

We ensure that our certified specialists meticulously execute the following finishes: Qualicoat, Lacquered RAL, PVDF, Anodized, Wood Finish, Polished, and Repellent to meet the highest standards of quality and durability.

ADD-ONS

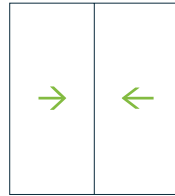

Insect Screens / Balustrade / Auto Slide / Soft Close

TECHNICAL ATTRIBUTES

Vertical Profile Inter Locking	20mm
Track Height	46 mm
2-Track Frame Width	120mm
3-Track Frame Width	185mm
Max. Leaf Height	4876mm
Max. Leaf Width	1800mm
Max. Weight	600kg
Glass Thickness	34mm
Roller Capacity	800kg.
Light Transmission	up to 98%

Wide Perception

Air Permeability upto 300 PA

Wind Pressure upto 2.5 KPa

Acoustic Comfort upto 32 dB

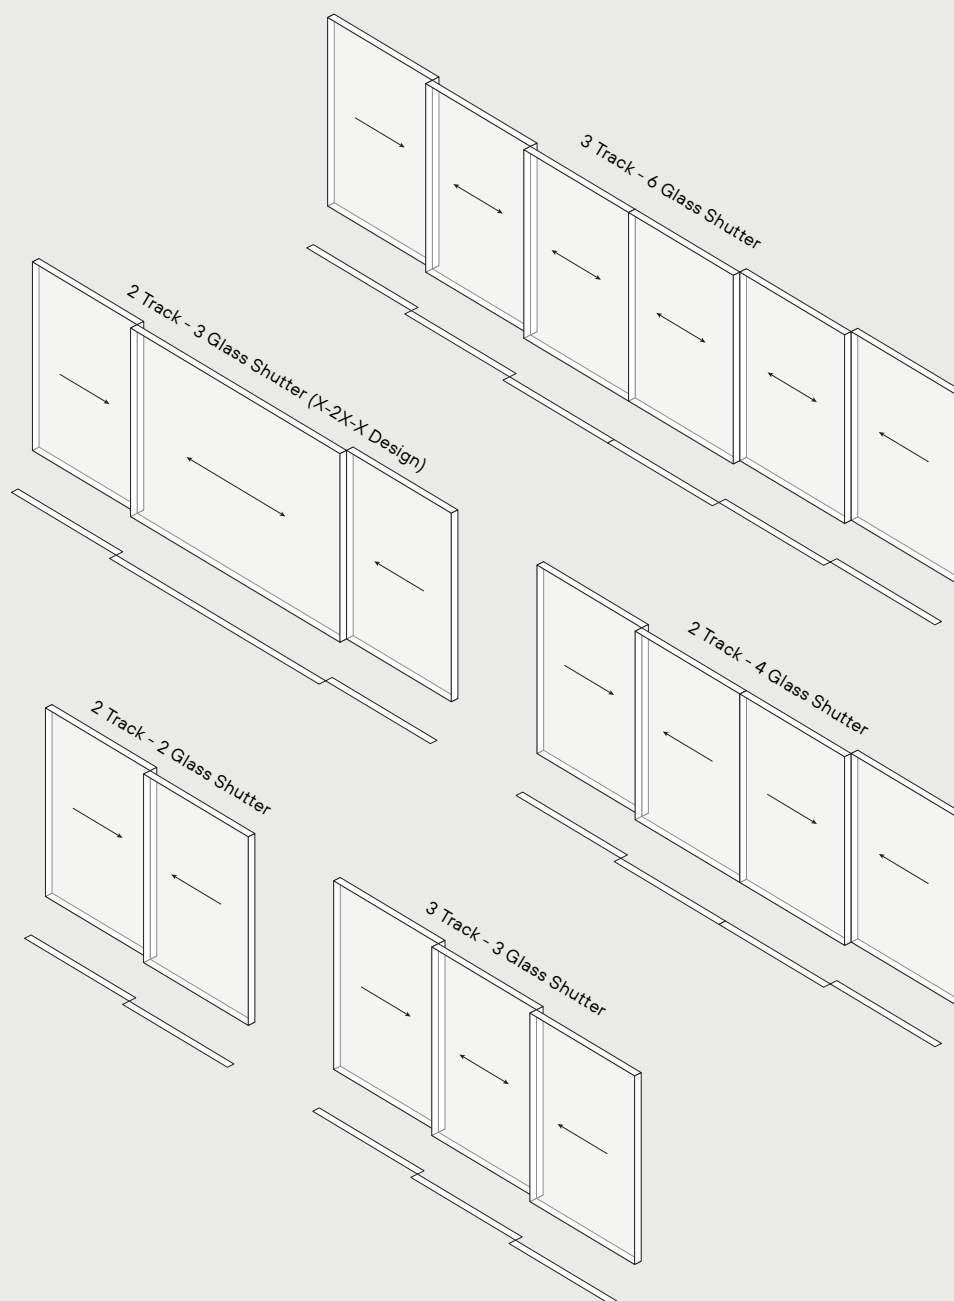

Water Tightness upto 390 PA

Thermal Insulation 2.7 W/m².K

Impact Resistance

Sound resistant interlocks with double sealing

Ounce has high levels of sound insulation. The gaskets ensure shutter banging noise is suppressed and wool pile sealing makes it dust/wind resistant.

Solid aluminium extruded track

The solid Aluminium extruded track makes sure that the shutter weight is held easily without any sagging after usage, at the same time removing the possibility of any dents.

Sturdy shutter joinery with plastic inserts

Butt overlapping joinery and twin screw provides excellent strength. Anti-rattle plastic inserts leave no gaps and voids.

Sturdy and leak-proof frame joinery

Frame Inserts eliminates any possibility of gaps and water to seep inside. It's a best developed by Ounce Ecstatics.

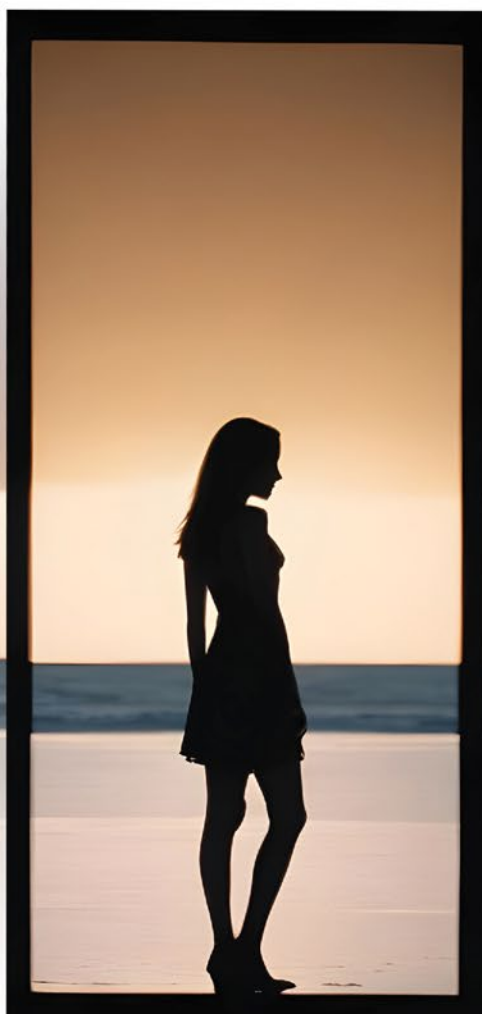

Gated Drainage

This specially designed water cap acts as one way valve allowing water to drain out and block wind entering the system.

Designed for torrential weather conditions

With extra strengthening and reinforced handle and interlock sections.
